## AGILE MUMBAI 2020 CONFERENCE

### Accelerating Business Agility through Agile Transformation

Currently, on account of the numerous technological disruptions and the remarkable changes in the business environment coupled with the ever changing expectations of the customers, the focus on "Business Agility" has taken center stage across various domains & Industries.

The spotlight on "Agile Transformation" which at a high level primarily focuses on the change occurring in the mindset of the people so that they imbibe the ability to become agile in their thinking leads to the creation of an agile culture that results in business agility and enhanced business efficiency.

The interlinking of the above two concepts also underlines the main theme of our conference which is Accelerating Business Agility through Agile Transformation.

Keeping in mind the above scenario. ANI is conducting this conference to bring together practitioners of business agility and agile transformation from various industries and domains so that they may learn from each other and succeed more effectively at enhancing customer delight.

*February 07-08, 2020*  
*Mumbai, India*
